The Association of the Austrian Chemical Industry,
after an audit by independent experts, grants to

ÖGUSSA
**Österreichische Gold- und Silber-Scheideanstalt
Gesellschaft m.b.H., Wien**

the right to use the international Responsible Care-Logo complying
with the rules set out by CEFIC for a period of three years.

The company name and site are listed
in the Austrian Directory of Certified Members.

Managing products, processes and plants,
the enterprise considers safety as well as the protection
of people and the environment as a primary concern.

Responsible Care

An Initiative for Health, Safety & Environment

Fachverband der Chemischen Industrie Österreichs

KommR Ing. Hubert Culik, MAS
President

Mag. Sylvia Hofinger
Director General

Vienna, 25th April 2018
